

TILT WALL OPERATOR ACKNOWLEDGEMENT

I confirm that I have read and understood the operating and safety instructions for the FrictionWalls Tilting Climbing Wall.

I understand that:

- No person may remain in the movement area while the wall is adjusting.
- Climbing is prohibited while the wall is moving.
- The wall shall only be operated after the landing area has been checked and cleared.
- Any unusual noise, vibration or malfunction must be reported immediately.
- The wall must not be used if damage or faults are observed.
- Only trained and authorized personnel may operate the wall.
